*Teaching life lessons
ON and OFF the court*

From The President Sarah L. Pernell

CTTA-Central Texas Tennis Association was established in 1997. I started working with tennis when my youngest son, Tommie, began playing at the age of 7. I had to entertain him while my 2 oldest children were involved in several other activities. Tennis seemed to fit. He went to St. Steven's for 2.5 years, graduated from Bowie H.S. and went to college on a tennis scholarship from Southern University, a Division 1 school, and did very well. As he continued playing and moving up the ranks for Texas top players, I learned more about the sport, and even picked it up as a hobby. Now, my entire family plays. In fact, Tommie has now joined me in providing lessons to the children and adults in our program as our Head Pro.

CTTA started with only a hand full of kids and after some years, have grown to over 1200. CTTA is a not for profit organization and has no paid staff. We don't have a "real" tennis site to call our home, but make use of city parks, schools, and recreation centers. Our programs are year round, with an after school program during the school year and NJTL (National Junior Tennis League) during the summer, which has nearly 500 kids. Through the years, we've added Team Tennis, Spring/Winter Break Clinics, Ladies Group, Senior class, and Private Lessons to our list.

CTTA, in conjunction with another not for profit organization called Project Helping Hand, we are able to provide tutoring, mentoring, counseling, clothing, food, housing and utility assistance to many of our participants with the help of various individuals and businesses throughout the city.

Volunteer Opportunity

There are various ways to support CTTA; one is by becoming a volunteer. CTTA is always seeking volunteers to assist with our year-round programs and activities and tennis programs. We also have a need in our education area offering tutoring and mentoring to our youth. We also host an annual tournament, junior play dates, adult mixers, and other special events throughout the year.

Volunteers are vital to our program and your commitment to participate whenever possible will help to ensure a successful year for CTTA. Besides we have too much fun to keep it all to our selves!

Membership Opportunity Join Our Family

CTTA is always looking to add more members to our growing family. Since we are non-profit, our membership is based on the relationships we build with those in our community. We hope you take an interest and join us for some tennis fun!

Membership Benefits

- Priority when registering for Group Lessons
- Priority for social service needs through Project Helping Hand
- Priority for Junior educational assistance (tutoring, scholarships, etc)
- Discounts on Private Lessons
- Discounts on Group Lessons and Junior Clinics
